

3M™ Safety-Walk™ Wet Area Matting 3200T

Product FABs:

- **Better looking floors**

Continually provides a cleaner floor at the entrance and throughout the facility

- **Floors that stay cleaner longer**

Helps protect the floor from damage due to tracked-in soil and other debris

- **Easier-to-maintain floors**

Reduces dirt and water on hard floors, which can help reduce slips and falls

3M™ Safety-Walk™ Wet Area Matting 3200T product features:

- Unique open “Z” vinyl construction design provides scraping action for dirt and water removal in all directions and excellent slip resistance
- Low profile allows foot and cart traffic to move easily over mat
- Unbacked design for allowing water to drain out, keeping the surface dry, and allowing dirt to fall beneath the mat. Make cleaning easier
- Remains looking good and performing well under medium traffic conditions and after frequent cleanings
